Summer Programs for Undergraduate & Graduate Research
Personal Statement

On a separate page, describe in no more than 500 words the academic area you would like to conduct research in if selected for this program. Be as specific as possible about research topics of particular interest. Be sure to include what you hope to accomplish through participation in this program and your academic and career goals. Also answer the questions below.

Please type or print legibly.

Applicant's Name _____
first, middle, last

E-mail Address _____ Phone Number _____

1. Briefly describe any prior research experience you have had in a university setting or elsewhere.

2. Are there any factors in your background or life experience that would lead you to especially benefit from this program?

3. List honors, awards, prizes, or recognition that you have received from your university.

4. List extracurricular and community activities you have participated in the last three years.

I hereby certify to the best of my knowledge that all information submitted is complete and correct. I understand that failure to disclose accurate information is grounds for immediate termination from this program.

Applicant's Signature _____ Date _____
